Group Project?

- A group is consists of 2-3 students.
- No student is allowed to work individually.

Purpose

- To design and develop webpages using recommended design practices.
- Proposed topics for your webpages may include (but not limited to) the following area:
 - Da'wah
 - Healthcare
 - Tourism
 - Retail
 - Organization
 - Education
 - Food and Beverages
 - Sports

Group Formation

- Form a group.
- Discuss and prepare a brief proposal to explain your group project (not more than 3 pages)
 - Name, matric number and email address of the members. Please specify your group leader.
 - Select a topic and the name of your project.
 - The intended audience.
 - Proposed modules with brief description.
 - Sitemap.
 - Email the proposal to your lecturer (webtech2302@gmail.com). Please specify the 'Subject' as '<Section no>, <Group no>'

Thank you.
